

Confidentiality Agreement

Each volunteer leader agrees to abide by the following Confidentiality Agreement.

The policies are as follows:

Any information obtained by the volunteer leader during their involvement with the ASPHP is strictly confidential and such information must only be shared with other Executive Board Members or committee members.

Past Volunteer Leader shall keep all information acquired through their association with the ASPHP confidential and not to disclose the information to any other party, unless approval is given by the current Executive Board.

Avoid personal and/or professional interest that may appear to be in conflict with the interest of the ASPHP or engage in any transactions or activities that are or would appear to be, to a reasonable person, a conflict of interest or incompatible with the duties of the volunteer leader.
