

# 2025 SPHM Facilitator Award Nomination Form

This award aims to recognize an individual who has demonstrated efforts and/or results to promote safe patient handling and mobility (SPHM) within their Facility or System. Someone who has made a meaningful impact through dedicated service and leadership and achieved measurably improved outcomes deserves to be identified and acknowledged by their peers.

## **Minimum criteria to apply:**

Nominees must be CSPHP or CSPHC certified and have direct oversight of the SPHM program at their facility for a minimum of three (3) years. All data and documentation must come from one (1) facility except information related to promotion or collaboration. Those applicants that oversee multiple facilities or networks must select one facility that is the best example of their work for all data and documentation. Information from multiple facilities will be rejected.

Please complete the Nomination Form below along with a detail description of your work at this facility to submit for consideration as the 2025 recipient of the Association of Safe Patient Handling Professionals Facilitator Award. To the best of your ability, include information about the (7) content items listed below. Please note the specifics for each item.

Nominations will be blind reviewed by a panel of ASPHP member/judges. All judges have signed non-Disclosure agreements, so all information is protected.

The awardee will be notified before the March 2025 ASPHP National SPHM Education Event.
