Third Party Authorization

An exhibitor who engages the services of an outside management firm to handle exhibit details and logistics, meeting and events, or publicity and advertising, or all of these planning aspects, must inform the ASPHP National Conference Team, identifying the firm who will work on its behalf. The company designated in this capacity must meet all deadlines.

Eligibility for Exhibiting

Companies that have not exhibited previously at the ASPHP National SPHM Conference must undergo review in order to be considered as exhibitors. To initiate a review, potential exhibitors must provide background information on the company and copies of promotional brochures and literature for all products and services to be exhibited.

By completing the exhibit application, the exhibiting company warrants and represents that there are no outstanding legal, financial, or governmental actions that could negatively impact their ability to provide the goods or services that they promote or sell at the event. If the accuracy of this representation and warranty changes before the event, the exhibitor agrees to provide immediate written notice to ASPHP.

Companies with multiple complaints filed against them with state or federal consumer affairs regulatory agencies, the Better Business Bureau, or by ASPHP members or fellows may be required to provide an explanation of the resolution of those complaints. ASPHP reserves the right to accept or reject, at its sole discretion, any application to exhibit and to determine the eligibility of any proposed exhibitor.

No refund will be made for any sponsorship cancellation. Should the exhibitor be unable to occupy and use the contracted exhibit space, the exhibitor must promptly notify ASPHP Headquarters in writing. Term and Conditions

Assignment of Space

Every effort will be made to accommodate requests for booth assignments. ASPHP reserves the right to make changes to the booth floor plan as may be deemed necessary.

Exhibitors may not plan, be part of, or encourage ASPHP National SPHM Conference attendee participation in any scientific, technical, informational, or other meeting, seminar, event, function, or gathering off the premises of the official ASPHP hotel during event hours.

Exhibitors must request hotel meeting space by providing details on meeting space requirements, contact information to ASPHP Headquarters. Space is assigned on a first-come, first-served basis. Once the meeting space request has been submitted, exhibitors will contain the contact information for hotel staff. Exhibitors will work directly with the hotel and must finalize a contract with the hotel. Food and beverage minimums may apply. If your company cancels the event, they may be liable for cancellation fees to the hotel.

Contract

The submission of the official Exhibit Space Application and receipt by the exhibitor of the exhibit space assignment notification constitute a contract for the right to use the space allocated. Exhibitors acknowledge that they are not contracting for a specific booth, but rather for the right to participate as an exhibitor at the ASPHP National SPHM Conference. Such submission and receipt mean that the exhibitor has read, understood, and agreed to be bound by all the policies, terms, rules, and regulations governing the exhibition set forth in the application, space assignment notice, and Exhibit Prospectus, which together constitute the entire contract between the exhibitor and ASPHP. Any matters not specified in the Exhibit Prospectus shall be resolved at the sole discretion of the Executive Director of ASPHP.

Interpretation of Contract

ASPHP shall have the full authority to interpret and amend all policies, terms, rules, and regulations contained in the Exhibit Prospectus or any part of the contract, and its decision as to the meaning and implementation of a policy, term, rule, or regulation is final.

Exhibitors agree to abide by any policies, terms, rules, or regulations that may hereafter be adopted, which shall be as much a part of the contract as though originally incorporated. In the event ASPHP changes any policy, term, rule, or regulation after the acceptance of the contract by the exhibitor, ASPHP will provide written notice to the exhibitor.

Insurance

Each exhibitor carries the responsibility of maintaining adequate insurance coverage against injury to persons, damage to or loss of property, data breaches, and inability to meet its obligations outlined in the Exhibit Prospectus. Upon request, an exhibitor shall provide to ASPHP a certificate of insurance indicating at least \$1,000,000 of commercial general liability insurance. The policy shall name ASPHP as an additional insured thereon.

Liability and Indemnification

ASPHP will bear no liability for personal injuries, whether suffered by an exhibitor or its employees, contractors, or business invitees. ASPHP will also assume no liability for loss or damage to the property of an exhibitor or its employees, contractors, or business invitees, regardless of the cause, unless such injury or damage results from, or is caused by, the gross negligence or intentional wrongful acts of ASPHP. Each exhibitor, in making application for space, agrees to indemnify, defend, and hold harmless ASPHP from any and all claims, liability, damages, or expenses (including attorneys' fees) asserted against them or incurred by them as a result of, in connection with, or arising from any loss of or damage to property, or injury to persons resulting from, arising out of, or in any way connected with the negligence or wrongful acts or omissions of the exhibitor or its agents or employees, contractors, or business invitees, or for breach or non-performance of any provision of this contract.

ASPHP shall in no event be liable to an exhibitor for any lost business opportunities or for any other type of indirect, special, or consequential damages alleged to be due from a breach of this contract. It is understood and agreed that the sole liability of ASPHP to the exhibitor for any breach of this contract shall be limited to the amounts paid by the exhibitor pursuant to this contract. It is understood and agreed that a refund of amounts paid by the exhibitor pursuant to this contract is the sole and exclusive remedy of the exhibitor under this contract.

Assignment, Successors, and Assigns

This contract shall be binding upon ASPHP and the exhibitor and their successors and assigns. No exhibitor may assign or transfer any rights or obligations under this agreement without the written consent of ASPHP. No such assignment shall release the exhibitor from its obligations and liabilities under this contract.

Force Majeure

In the event of acts of God, fire, strikes, disaster, political or social boycott, medical epidemic, or other similar unavoidable occurrences rendering the exhibit space unfit for use, ASPHP will attempt to provide exhibit space at another location, but it does not guarantee it will be able to do so. In the event the ASPHP National SPHM Conference is not held at all, an exhibitor's sole remedy is a refund of its exhibit space fees paid.

Audio Visual Components in Exhibits

Exhibitors, in compliance with the following noise abatement policy, may use sound amplification when conducting live presentations. Alternatively, wireless headsets may be more appropriate based on the booth size.

The exhibitor noise abatement policy is as follows:

- All booth elements must remain within the officially contracted booth space. This includes all truss work, lighting, audio equipment, speakers, etc.
- Live presentations in an open display should use a sound chamber or acoustically contained area to keep the sound level from intruding on any adjacent exhibits.
- Audio speakers of any kind must be directed toward the interior of the demonstrator's booth space. They may not face aisles or neighboring exhibits.

ASPHP reserves the right, at its sole discretion, to determine when sound levels from audio visual equipment constitute interference with others or become unacceptable. Sound complaints will immediately be addressed and, if not resolved, event management reserves the right to shut down power immediately until the issue is resolved.

Exhibitors are responsible for obtaining appropriate licenses for any copyrighted music used in their exhibit.

Booth Staff

Exhibits must be staffed each day during exhibit hours until the close of the show at 5 pm on Wednesday, Mar 19, 2026. Company representatives are expected to dress and conduct themselves in a professional manner and wear their personal ASPHP-issued exhibitor meeting badge at all times.

Photographing and Videotaping

An exhibitor may photograph or videotape his or her own booth before or after Exhibit Hall hours. Exhibitors understand and agree that photographs of their exhibit will be taken by the official show photographer while documenting the event. Exhibitors agree that photos of their booth, possibly containing logos and trademarks, may appear without restriction in promotional and other documents produced by ASPHP.

An exhibitor may not photograph or videotape any other company's exhibit booth or presentation. This activity will result in terminating the exhibit onsite and may refuse assignment of space for future ASPHP events.

Sales

The purpose of the exhibits is to further the education of meeting attendees through product and service displays and demonstrations. Consistent with this professional interest, order-taking and sale of exhibited products will be permitted, provided the transactions are conducted in an appropriately professional and businesslike manner.

ASPHP reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

Penalties

As stated previously, as a condition for exhibiting, each exhibitor agrees to observe all policies, terms, rules, and regulations. For example, in the event of an egregious violation or any repeated failure to observe the policies, terms, rules, and regulations outlined in the Exhibit Prospectus, ASPHP reserves the right to terminate the exhibit onsite and may refuse assignment of space for future ASPHP events. In addition to the policies, terms, rules, and regulations specified in the Exhibit Prospectus, the preceding policies, terms, rules, and regulations must be adhered to by each exhibiting company and its representatives and agents. Breaches or infractions by an exhibitor in any year may be considered by ASPHP, at its sole discretion, in determining whether to close an exhibit onsite or to refuse applications for exhibit space for any future year. If any exhibiting company fails to observe the policies, terms, rules, and regulations outlined in the Exhibit Prospectus, or engages in practices in connection with the event that are deemed unfair or deceptive by ASPHP, at its sole discretion, ASPHP reserves the right to terminate the exhibit onsite and/or refuse assignment of space for future ASPHP events.

Policies

To gain admittance to the exhibit areas and education sessions, all company representatives are required to wear their personal ASPHP-issued exhibitor badge at all times while on premises. The badge must not be

altered, added to, or defaced in any manner. A company badge will not be accepted in lieu of the official badge.

Representatives must be able to present photo identification that matches the name on the badge they are wearing upon request.

ASPHP has a zero-tolerance policy for badge swapping. Those found swapping badges or wearing a badge that does not match their photo identification will have their badge confiscated and will be escorted from the premises.

Access

During the event, an exhibitor who has their personal ASPHP-issued exhibitor badge may enter the Exhibit Hall two hours prior to the opening of the exhibition and may remain in the Exhibit Hall one hour after the close.

One exhibitor may not enter another exhibitor's booth without the other exhibitor's approval. ASPHP representatives and employees shall have free access to any exhibit booth at all times in the performance of their assigned duties.
